

# Quick reference guide – new IFRe.com platform (Autumn 2019)

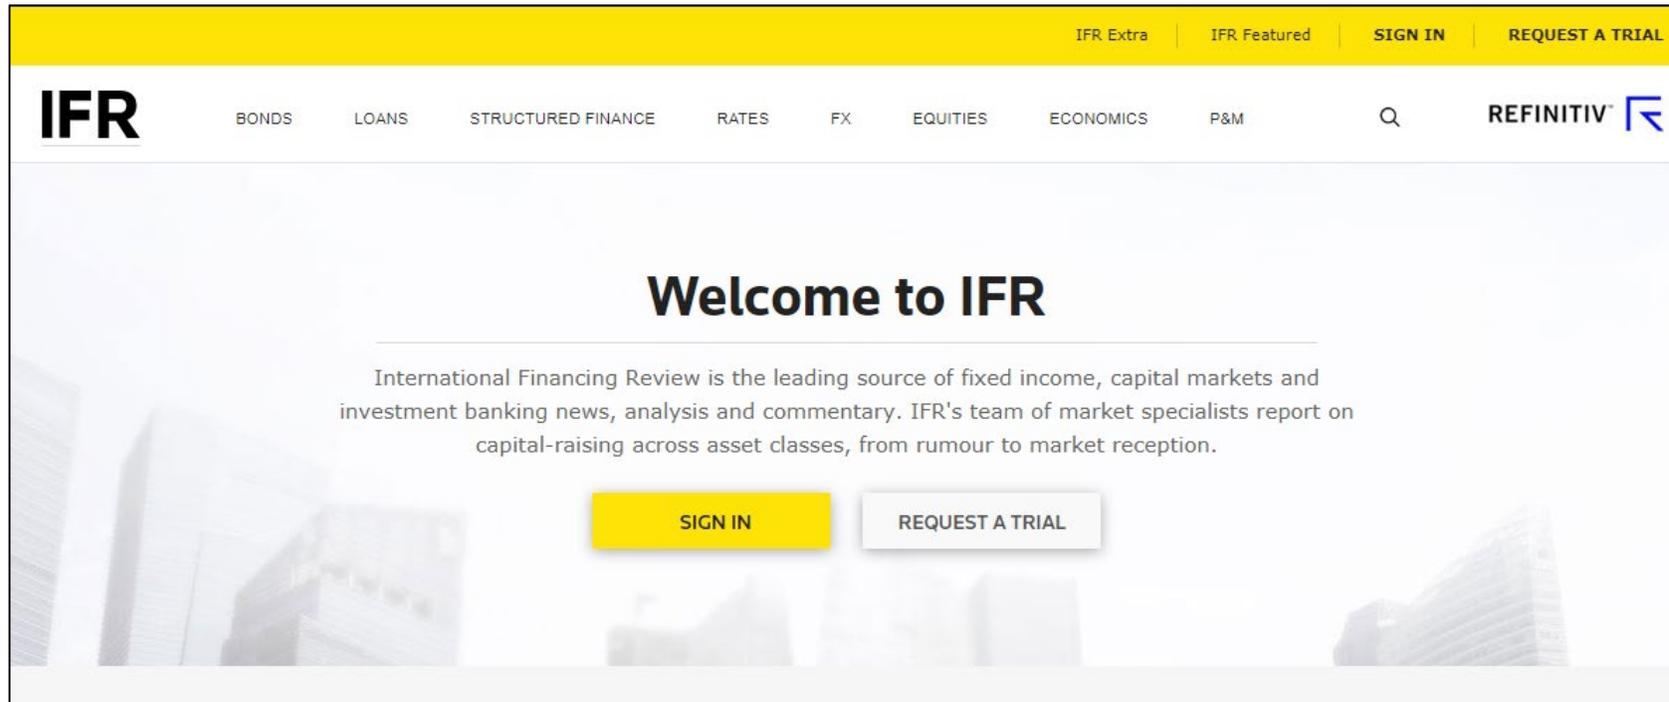

**Slide 2.** New login page

**Slide 3.** Logging in

**Slide 4.** Settings

## 2. New login page

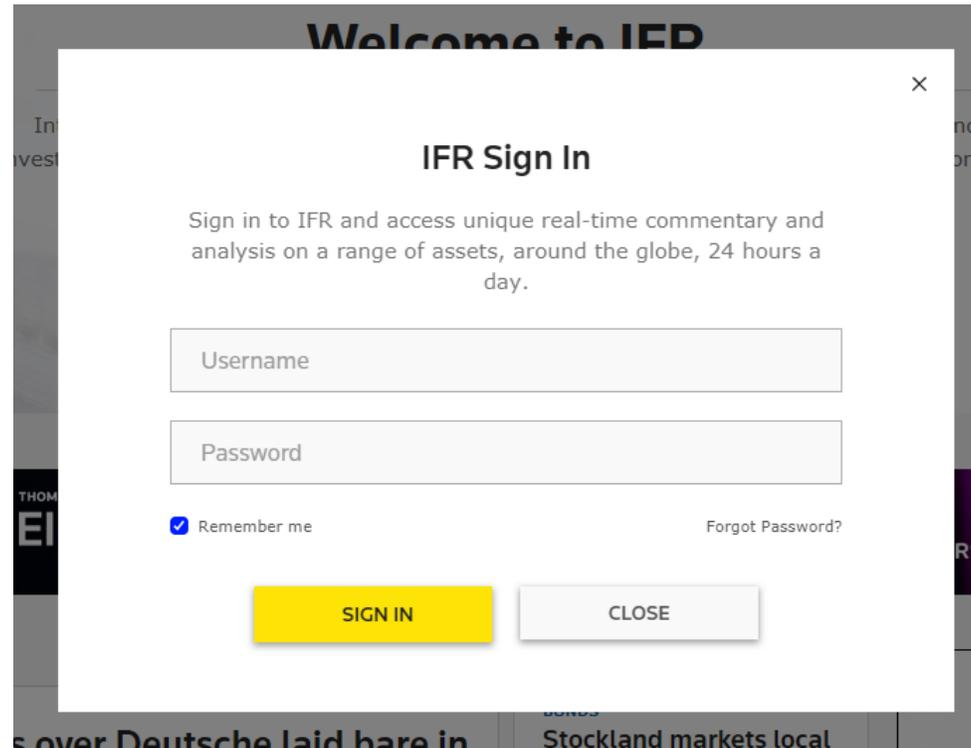

The new site's address is [www.ifre.com](http://www.ifre.com).

Upon visiting the site for the first time you will be required to enter the email address associated with your IFR subscription. You will then be sent a temporary password which will allow you to log in to the site.

### 3. Logging in

The image shows a 'Welcome to IFR' dialog box with the title 'IFR Sign In'. The text inside reads: 'Sign in to IFR and access unique real-time commentary and analysis on a range of assets, around the globe, 24 hours a day.' Below this text are two input fields: 'Username' and 'Password'. Under the 'Username' field, there is a checked checkbox labeled 'Remember me' and a link labeled 'Forgot Password?'. At the bottom of the dialog, there are two buttons: a yellow 'SIGN IN' button and a grey 'CLOSE' button.

Once you've logged in for the first time, you will be required to change your password and then you're all set.

## 4. Settings
